

Albany Area Schools has formed a Project Oversight Committee (POC). The role of this committee is to serve as the governing body of the project and will provide direction, guidance, and leadership in ensuring the effective implementation of the project and the effectiveness of the activities. This group will meet on a bi-weekly basis throughout the entirety of the building process to discuss various components of the project including safety, design progress, construction progress, FF&E (furniture, fixtures, and equipment), budget, communications, and schedules.
